

# Check Out SuperCoder Appendices Added to CPT® Coding Resources

2016-05-25

We've added 18 new coding resources to help give you the information you need for cleaner claims.

On your Coding Tools or Coder page, open the Coding menu in the left side navigation. Then select CPT® and Appendices.

Whether you want to check vascular families for interventional coding (Appendix I) or brand-name vaccinations connected to CPT® codes (Appendix K), there's a good chance you'll find something useful in these newly posted resources!
