

CodingCon Uses Learning in Motion for ICD-10 Training You Won't Forget

2015-10-14

The 13th annual CodingCon in Orlando, December 2 to 4, offers you the chance to refresh yourself during foam rolling and yoga-like sessions. Need a bonus? The sessions are tied to ICD-10 training you'll remember long after the conference ends.

For even more ICD-10 training, sign up for the ICD-10 track or choose your specialty track, which will include ICD-10 information geared toward specific specialty needs:

- Family Practice
- General Surgery
- ICD-10-CM
- Ob-gyn
- Ophthalmology
- Orthopedics
- Otolaryngology
- Pain Management
- Path/Lab
- Pediatrics
- Practice Management
- Urology.

See for yourself: Sneak previews of sessions are available at www.codingconferences.com/coding-webinar, with more sneak previews still to come.

You can register for CodingCon online, or call 1-866-251-3060 to find about the best rates available to you and your colleagues!
