

Did You Notice the July 1 Code Data Updates?

2016-07-13

July 1 marked the start of this year's third quarter, bringing plenty of quarterly updates that affect your claims. Here are just some of the updates implemented in SuperCoder's resources on July 1:

- [HCPCS July 2016 code and modifier changes](#)
- Fee schedule updates, including MPFS indicators
- Physician and OPPS CCI edit additions, deletions, and modifier indicator changes
- Up-to-date MUEs: practitioner, DME, and outpatient
- ASP, AWP, and OPPS NDC-HCPCS crosswalk updates
- Newly reportable CPT® Category III codes.
