

## Dig In to CPT® Assistant for a Detailed Description of TMVR Code 33418

2015-11-25

The September 2015 CPT® Assistant shines a spotlight on transcatheter mitral valve repair (TMVR), providing guidelines, procedure descriptions, and insights into the intent of codes 33418, +33419, and 0345T.

Other articles in the just-released issue will give you a better understanding of vestibular function testing, 2016 updates to inhalation treatment code 94640 and "written report" terminology, and the AMA/CMS agreement on ICD-10 denials. To see what's new, type a code or keyword into **SuperCoder.com's Code Connect** to see the September article you're looking for:

- ICD-10 Guidance
