

Dig Into Daily Tips From HIMSS17 Provided by Our TCI On-the-Ground Editors

2017-02-22

Health IT conference HIMSS17 is taking place Feb. 19-23 in Orlando, and we've been sharing takeaways gathered by The Coding Institute editors in attendance.

Daily tips are available on our Facebook and LinkedIn pages. You'll find hot topics to add to your data security plan and reminders on the importance of considering everyone involved in your health data supply chain.

Check out @supercodergirl, @KwebbHollering, and @SuzanneLeder on Twitter for even more updates from the conference.
