Ring in the New Year with SuperCoder Makeovers

On February 9, you'll find a whole new look on SuperCoder that gets you to your codes and info even faster. We've gathered tons of feedback from subscribers, potential users and conference attendees and have incorporated them to make the most user-friendly coding tools site ever. Check out some of the great speed enhancers, you'll get to use with a Physician or Fast Coder subscription.

[Give us feedback from Jan 27-Feb 9 and take tutorials on the changes. Share your feedback and try your luck as five members are entitled to win free passes for CodingCon 2015 in Orlando FL.](#)
