

OPPS Rows Moved From FEE SCHEDULES to OPPS FEE SCHEDULES

July 23, 2012

The OPPS Facility and Non-Facility rates apply to physician payments for procedures performed in an ambulatory surgical center (ASC) or emergency department. Since this information applies to ASC and EDs to avoid confusion, SuperCoder now includes that information under OPPS Fee Schedule, which is part of Outpatient Facility Coder. If you want to add outpatient facility (OPPS) features to a current SuperCoder subscription, contact a Client Services Representative toll free at 866-228-9252.
