

## **Pre-Order Your 2016 Coding Manuals and Specialty Books Today!**

2015-09-09

Whether you need a 2016 Physician Bundle with a CPT® manual, HCPCS, and (of course!) an ICD-10-CM manual or you're looking for more in-depth guidance from a 2016 SuperCoder Illustrated Coding Manual for your specialty, SuperCoder and The Coding Institute are ready to help. You can pre-order your 2016 version so it ships as soon as it's ready.

**Plus:** Don't miss the 2016 Procedural Reference Guide for Coders loaded with lay descriptions, a glossary, modifier insights, illustrations, and much more! And for inpatient coders, the 2016 ICD-10-PCS Complete Code Set with bonus features is a must. You can discover all the options at [www.codinginstitute.com/books](http://www.codinginstitute.com/books) or call 1-800-508-2582 to be sure you find the books that best suit your needs.
