Adjustment of Civil Monetary Penalties for Inflation

AGENCY: Department of Education.

ACTION: Final regulations.

SUMMARY: The Department of Education (Department) issues these final regulations to adjust the Department’s civil monetary penalties (CMPs) for inflation. An initial “catch-up” adjustment was required by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (2015 Act), which amended the Federal Civil Penalties Inflation Adjustment Act of 1990 (Inflation Adjustment Act). These final regulations provide the 2018 annual inflation adjustments being made to the penalty amounts in the Department’s final regulations published in the Federal Register on April 20, 2017 (2017 final rule).

DATES: These regulations are effective January 15, 2018. The adjusted CMPs established by these regulations are applicable only to civil penalties assessed after January 15, 2018, whose associated violations occurred after November 2, 2015.

FOR FURTHER INFORMATION CONTACT:

In these final regulations, based on the CPI–U for the month of October 2015 CPI–U. Annual inflation adjustments are based on the percentage change between the Consumer Price Index for all Urban Consumers (CPI–U) for the month of October in the year the penalty was last adjusted by a statute other than the Inflation Adjustment Act, and the October 2015 CPI–U. Annual inflation adjustments are based on the percentage change between the October CPI–U preceding the date of each statutory adjustment, and the prior year’s October CPI–U. The Department published an IFR with the initial “catch-up” penalty adjustment amounts on August 1, 2016 (81 FR 50321).

In these final regulations, based on the CPI–U for the month of October 2017, not seasonally adjusted, we are annually adjusting each CMP amount by a multiplier for 2018 of 1.02041, as directed by the Office of Management and Budget (OMB) Memorandum No. M–18–03 issued on December 15, 2017.

The Department’s Civil Monetary Penalties

The following analysis calculates new CMPs for penalty statutes in the order in which they appear in 34 CFR 36.2. The penalty amounts are being adjusted based on the multiplier of 1.02041 provided in OMB Memorandum No. M–18–03.

Current Regulations: The CMP for 20 U.S.C. 1015(c)(5) (Section 131(c)(5) of the Higher Education Act of 1965, as amended (HEA)), as last set out in statute in 1998 (Pub. Law 105–244, title I, § 101(a), October 7, 1998, 112 Stat. 1602), is a fine of up to $25,000 for failure by an institution of higher education (IHE) to provide information on the cost of higher education to the Commissioner of Education Statistics. In the 2017 final rule, we increased this amount to $36,849.

New Regulations: The new penalty for this section is $37,601.

Reason: Using the multiplier of 1.02041 from OMB Memorandum No. M–18–03, the new penalty is calculated as follows: $36,849 × 1.02041 = $37,601.09, which makes the adjusted penalty $37,601, when rounded to the nearest dollar.

If a statute that created a penalty is amended to change the penalty amount, the Department does not adjust the penalty in the year following the adjustment.
Current Regulations: The CMP for 20 U.S.C. 1022d(a)(3) (Section 205(a)(3) of the HEA), as last set out in statute in 2008 (Pub. Law 110–315, title II, § 210(2), August 14, 2008, 122 Stat. 3147), provides for a fine of up to $27,500 for failure by an IHE to provide information to the State and the public regarding its teacher-preparation programs. In the 2017 final rule, we increased this amount to $30,694.
New Regulations: The new penalty for this section is $31,320.
Reason: Using the multiplier of 1.02041 from OMB Memorandum No. M–18–03, the new penalty is calculated as follows: $30,694 × 1.02041 = $31,320.46, which makes the adjusted penalty $31,320, when rounded to the nearest dollar.

Statute: 20 U.S.C. 1082(g).
Current Regulations: The CMP for 20 U.S.C. 1082(g) (Section 432(g) of the HEA), as last set out in statute in 1986 (Pub. Law 99–498, title IV, § 402(a), October 17, 1986, 100 Stat. 1401), provides for a fine of up to $25,000 for violations by lenders and guaranty agencies of Title IV of the HEA, which authorizes the Federal Family Education Loan Program. In the 2017 final rule, we increased this amount to $54,789.
New Regulations: The new penalty for this section is $55,907.
Reason: Using the multiplier of 1.02041 from OMB Memorandum No. M–18–03, the new penalty is calculated as follows: $54,789 × 1.02041 = $55,907.24, which makes the adjusted penalty $55,907, when rounded to the nearest dollar.

Current Regulations: The CMP for 20 U.S.C. 1094(c)(3)(B) (Section 487(c)(3)(B) of the HEA), as set out in statute in 1986 (Pub. Law 99–498, title IV, § 407(a), October 17, 1986, 100 Stat. 1488), provides for a fine of up to $25,000 for an IHE’s violation of Title IV of the HEA or its implementing regulations. Title IV authorizes various programs of student financial assistance. In the 2017 final rule, we increased this amount to $54,789.
New Regulations: The new penalty for this section is $55,907.
Reason: Using the multiplier of 1.02041 from OMB Memorandum No. M–18–03, the new penalty is calculated as follows: $54,789 × 1.02041 = $55,907.24, which makes the adjusted penalty $55,907, when rounded to the nearest dollar.

Current Regulations: The CMP for 20 U.S.C. 1228c(c)(2)(E) (Section 429 of the General Education Provisions Act), as set out in statute in 1994 (Pub. Law 103–382, title II, § 238, October 20, 1994, 108 Stat. 3918), provides for a fine of up to $1,000 for an educational organization’s failure to disclose certain information to minor students and their parents. In the 2017 final rule, we increased this amount to $1,617.
New Regulations: The new penalty for this section is $1,650.
Reason: Using the multiplier of 1.02041 from OMB Memorandum No. M–18–03, the new penalty is calculated as follows: $1,617 × 1.02041 = $1,650.00, which makes the adjusted penalty $1,650, when rounded to the nearest dollar.

Statute: 31 U.S.C. 1352(c)(1) and (c)(2)(A).
Current Regulations: The CMPs for 31 U.S.C. 1352(c)(1) and (c)(2)(A), as set out in statute in 1989, provide for a fine of up to $10,000 to $100,000 for recipients of Government grants, contracts, etc. that improperly lobby Congress or the Executive Branch with respect to the award of Government grants or contracts. In the 2017 final rule, we increased these amounts to $19,246 to $192,459.
New Regulations: The new penalties for these sections are $19,639 to $196,387.
Reason: Using the multiplier of 1.02041 from OMB Memorandum No. M–18–03, the new minimum penalty is calculated as follows: $19,639 × 1.02041 = $19,638.81, which makes the adjusted penalty $19,639, when rounded to the nearest dollar.

Statute: 31 U.S.C. 3802(a)(1) and (a)(2).
Current Regulations: The CMPs for 31 U.S.C. 3802(a)(1) and (a)(2), as set out in statute in 1986 (Pub. Law 99–509, title VI, § 6103(a), Oct. 21, 1986, 100 Stat. 1937), provide for a fine of up to $5,000 for false claims and statements made to the Government in connection with the award of Government grants, contracts, etc. In the 2017 final rule, we increased this amount to $19,246 to $192,459.
New Regulations: The new penalties for these sections are $19,639 to $196,387.
Reason: Using the multiplier of 1.02041 from OMB Memorandum No. M–18–03, the new minimum penalty is calculated as follows: $19,639 × 1.02041 = $19,638.81, which makes the adjusted penalty $19,639, when rounded to the nearest dollar.

Executive Orders 12866, 13563, and 13771
Regulatory Impact Analysis
Under Executive Order 12866, the Secretary must determine whether this regulatory action is “significant” and, therefore, subject to the requirements of the Executive order and subject to review by OMB. Section 3(f) of Executive Order 12866 defines a significant regulatory action as an action likely to result in a rule that may—
(1) Have an annual effect on the economy of $100 million or more, or adversely affect a sector of the economy; productivity; competition; jobs; the environment; public health or safety; or State, local, or Tribal governments or communities in a material way (also referred to as “economically significant” regulations);
(2) Create serious inconsistency or otherwise interfere with an action taken or planned by another agency;
(3) Materially alter the budgetary impacts of entitlement grants, user fees, or loan programs or the rights and obligations of recipients thereof; or
(4) Raise novel legal or policy issues arising out of legal mandates, the President’s priorities, or the principles stated in the Executive order.
We have determined that these final regulations: (1) Exclusively implement the annual adjustment; (2) are consistent with OMB Memorandum No. M–16–03; and (3) have an annual impact of less than $100 million. Therefore, based on OMB Memorandum No. M–18–03, this is not a significant regulatory action subject to review by OMB under section 3(f) of Executive Order 12866.
We have also reviewed these regulations under Executive Order 13563, which supplements and explicitly reaffirms the principles, structures, and definitions governing regulatory review established in Executive Order 12866. To the extent permitted by law, Executive Order 13563 requires that an agency—
(1) Propose or adopt regulations only upon a reasoned determination that their benefits justify their costs (recognizing that some benefits and costs are difficult to quantify);
(2) Tailor its regulations to impose the least burden on society, consistent with obtaining regulatory objectives and taking into account, among other things, and to the extent practicable, the costs of cumulative regulations;
(3) In choosing among alternative regulatory approaches, select those approaches that maximize net benefits (including potential economic, environmental, public health and safety, and other advantages; distributive impacts; and equity);
(4) To the extent feasible, specify performance objectives, rather than the behavior or manner of compliance a regulated entity must adopt; and
We are issuing these final regulations as required by statute and in accordance with OMB Memorandum No. M–18–03. The Secretary has no discretion to consider alternative approaches as delineated in the Executive order. Based on this analysis and the reasons stated in the preamble, the Department believes that these final regulations are consistent with the principles in Executive Order 13563.

Under Executive Order 13771, if the Department proposes for notice and comment or otherwise promulgates a new regulation that is a significant regulatory action under Executive Order 12866 and that imposes total costs greater than zero, it must identify two existing regulations for elimination. For fiscal year 2018, any new incremental costs associated with the new regulation must be fully offset by the elimination of existing costs through the repeal of at least two regulations. These final regulations are not a significant regulatory action. Therefore, the requirements of Executive Order 13771 do not apply.

**Waiver of Rulemaking and Delayed Effective Date**

Under the Administrative Procedure Act (APA) (5 U.S.C. 553), the Department generally offers interested parties the opportunity to comment on proposed regulations. However, section 4(b)(2) of the 2015 Act (28 U.S.C. 2461 note) provides that the Secretary can adjust these 2018 penalty amounts notwithstanding section 553 of title 5, United States Code. Therefore, the requirements of 5 U.S.C. 553 for notice and comment and delaying the effective date of a final rule do not apply here.

**Regulatory Flexibility Act Certification**

The Secretary certifies that these regulations will not have a significant economic impact on a substantial number of small entities. The formula for the amount of the inflation adjustments is prescribed by statute and is not subject to the Secretary's discretion. These CMPs are infrequently imposed by the Secretary, and the regulations do not involve any special considerations that might affect the imposition of CMPs on small entities.

**Paperwork Reduction Act of 1995**

These regulations do not contain any information collection requirements.

**Intergovernmental Review**

This program is not subject to Executive Order 12372 and the regulations in 34 CFR part 79.

**Assessment of Educational Impact**

Based on our own review, we have determined that these regulations do not require transmission of information that any other agency or authority of the United States gathers or makes available.
